Mr. E. P. Lovejoy, a large dealer in general merchandise, and editor of the Wabaska Mangler, at Wabaska, Nevada says: "I have tried St. Patrick's Pills and can truthfully say they are the best I have ever taken or known used." As a pleasant physic or for disorders of the liver they will always give perfect satisfaction. For sale by G. C. Thaxter.

Change is one of the irresistible laws of nature, and fortunately the change is almost invariably for the better. As an instance of this, St. Patrick's Pills are fast taking the place of the old harsh and violent cathartics, because they are milder and produce a pleasanter effect, besides they are much more beneficial in removing morbid matter from the system and prevent ague and other malarious diseases. As a cathartic and liver pill they are almost perfect. For sale by Geo. C. Thaxter.

THE LAST DAY.

THE FAIR CLOSES A BIG SUCCESS.

The Interesting and Exciting Events of Yesterday.

Yesterday's entertainment at the Fair grounds led off with the Ladies' Tournament.

The riding was all very good and elicited praise from all sides.

Miss Belknap won first prize, Miss Doyle second and Miss Wasson third.

Miss Nettie Winters took first prize for the General Tournament and her sister Nerva won the quarter mile dash.

The five eights of a mile race between Mohawk, Painkiller and Nabean was won by Painkiller in 1 02.

THAXTER WINS.

The Nevada State Championship quarter mile race was won by Homer Thaxter in 41 seconds. The race was commenced with five entries as follows: Harry Brown, Phil Mighels, L. Bruner, Homer Thaxter and Bob Davis.

From beginning to end the race was for blood and the boys beaten by Brown the day before, went on the track with the firm determination to get even.

John Kersey started the boys with Thaxter almost a foot in the rear. However he soon caught the lead. Brown and Davis followed him closely until half the distance was run when Brown was heard to remark, "this is my race boys."

However such was not the case as subsequent events prove, for as soon as the expression escaped his lips, Thaxter shot ahead with Davis second.

The race was won in 41 seconds which is considered good time for bicyclers on such a heavy track.

A THOUGHTLESS RIDER.

The race between Dew Drop, Allen and Hawthorne was unfortunate.

The horses got a false start and Allen could not be held. The rider finally after riding a half mile, got him down and dismounted to quiet him.

He was ruled out of the race and the pools were not declared off. The ruling was strictly correct, but had for Allen's owners and others who had backed him heavily. He would have won if allowed to stay in.

The boys tournament was won by Young Ulrick first, Belknap second and Bender third.

The pacing race between Victor, Edwin C. Little Hope and Creole was won by Victor.

The running race between Condo, Minnie B. Rock, and Lexie F. was declared off on account of darkness.

The Juniors' Dance.

The Warren Juniors dance last evening was considered the best dance of the season. There was over 150 couple on the floor, and it required both of the halls to accommodate them all. Several of the Liberty Hose boys of Gold Hill came down in rigs and were well received by the Juniors. The dance broke up late after midnight all well pleased with the sociability of the affair.

The programmes, which were printed at the APPEAL office were voted by all as being the best ever seen in Carson, it required 500 to supply the crowd.

The visiting firemen from Gold Hill after being tendered a fine supper, left for home about 3 o'clock this morning.

Is It True?

An APPEAL reporter was informed last evening that the Carson Brass Band had disbanded. The only cause for this act was that several of them refused to have anything to do with them. Two cornets, bass and drums have quit.

E. B. Rail desires to call the attention of the public to his large stock of goods on exhibition at the Pavilion. It would be a good idea to visit his store and get a look at his fine display of wagons, carts, buggies, buckboards, Buck stoves, Medallion ranges, crockery and glassware. He also has everything in the hardware and paint line. He is selling goods low down for cash. Call and get prices.

A LIVELY DAY.

A Reminder of Old Times in Carson.

Last night seemed like old times to people out on the streets.

The town was full of strangers, and the money won at the races was being very freely circulated, and the saloon and fare games could hardly accommodate the crowd.

The usual camp followers of a Fair were around in large force and making a dollar wherever they saw an opening.

While Clarence Parker was going home, a couple of men attempted to sand club him, but he was too lively and got away.

In the Ozark a couple of strangers got into a row over some lost money. One accused the other of cutting his pocket open and taking \$50. One of the men was finally taken to the lockup.

John Manning was jumped on by a man near the gas works, who came for him with a club. Manning defended himself with a cane and knocked his assailant down. The scoundrel then rose and took to his heels.

Night before last an attempt was made to steal a church organ which dispenses gospel hymns in Jennie Forrest's. The side window was opened and the thieves attempted to lug the organ away.

The purse of the ladies' tournament which was deposited with Cagwin & Noteware, was taken from the store during the night.

The thief cut the plate glass with a diamond, and smashed it in with a hammer, after which he reached in and gathered the swag.

All in all yesterday was a very large and lively day, and the night was something of an advance on anything seen here for a long time.

ALL SORTS.

Look out for burglars.

Henry Higgins of Reno was at the track yesterday.

The horses will leave on this morning's local train.

There was a large crowd attending the show last evening.

Louis Brenner of Sacramento attended the Carson Fair yesterday.

Miss Mable and Charles Nash of Reno were attending the Fair yesterday.

The Warren Juniors' dance last evening was considered an all round success.

The horseman are delighted with the Carson track and will be here in force next year.

The Warren Juniors are requested to meet on Monday evening. Business of importance.

Out in Beowawe the Coroner's jury found that "the deceased died from kicking the bucket."

The weather during Fair week, with the exception of the first day, was the best the Carson Fair has ever seen.

Mr. D. Wheeler the Reno sheep man, was attending the Carson Fair yesterday accompanied by his two daughters.

Miss Taddie Doane left for the Pyramid Lake Reservation last evening where she goes to take charge of her school.

"Saratoga," the APPEAL Holstein bull, took the sweepstakes yesterday, and "Black Queen" captured the same thing for her side of the house.

Miss Carrie Elsey will shortly return from San Francisco where she has been under a careful eye of a noted artist, and will be pleased to take hold of her old pupils.

Services at M. E. Church at 11 A. M. by the Pastor, Rev. C. L. Logan. Morning subject: "The Race for Glory." Evening subject: "What is truth?—Condition of its discovery."

Yesterday morning on arising, Mrs. Forrest, proprietor of the Capital lodging house, discovered that burglars had broken into her house. A gallon of whiskey and a crib board are missing.

Another convict named Jesse Grant sent from Eureka county for six years has escaped from the State Prison. This is the second time Grant has escaped and he will no doubt be captured as before.

The members of the bicycle club wish through these columns, to thank the Board of Fair Directors for their generous action in securing space for them on their list of attractions and for their liberality in the awarding of prizes.

CARSON WHEELMEN.

Mrs. J. Campbell has been reporting the races and Fair for the Enterprise during the week and furnishing excellent reports.

The lady is now regarded as authority on stock, horse racing and politics and the Enterprise would be considerably improved if she assumed editorial control.

The APPEAL has received two more communications relative to the sermon of Rev. VanDeventer. These communications, while fully representing the sentiments of this paper, are not published, as the subject is something of a chestnut.

The rush of work has been such during Fair week that the typographical force has been worked night and day. If the paper has a demoralized look this morning it is because the typos are about knocked out.

A Rare Opportunity.

Martin and Drake of Provo City, Utah, the largest importers and breeders of pure bred horses in the West have just arrived in town with a car load of pure bred "Suffolk Punch," "English Shire," "Cleveland Bays" and "Clydesdale" horses and Shetland ponies, which they will offer for sale at low prices and on easy terms. Call around to J. M. Benton's stable and examine the grandest lot of pure blood horses ever imported to this Western country. MARTIN & DRAKE.
